

Rob Lee is a seasoned executive with over 25 years of experience in the building material Retail industry. He has extensive knowledge and a track record of success in running all aspects of a major retail operation. Currently VP, ReStore at Habitat GTA, Rob has also held a variety of leadership positions at companies such as Lansing, Revy and Rona. Since his start with Habitat for Humanity in 2011, the ReStore has grown to a \$6.5 million operation contributing over \$2 million to the affiliate annually.

A firm believer in the safety of all customers, employees, volunteers and donors, Rob developed and led Habitat GTA's first Health and Safety Committee. Under his leadership, the committee developed safety principles and has seriously upped the organization's awareness of safety.
