

Wayne joined Habitat GTA in 2006 as Director of Construction and then VP Planning and Land Acquisition after a successful career in custom homebuilding and land development. Having served as president of the Ontario Homebuilders, board member of Tarion Warranty Corporation and chair of numerous committees with Ontario Homebuilders Association Wayne brings to Habitat a wealth of knowledge from over 40 years in the building industry. Currently Wayne sits on the Ontario Building Code Commission for the province of Ontario in addition to his responsibility for all construction projects and warranty at Habitat GTA.
