

## Aida Tammer

Aida Tammer is a real estate professional with over 25 years of capital markets and investment advisory experience, including more than a decade as a senior real estate investment banker at CIBC World Markets and seven years with CIBC Development Corporation, the former real estate development and management subsidiary of CIBC. Aida was a member of the Ontario Association of Architects for 25 years and worked as an architect early in her career. She was also a licensed member of the Toronto Real Estate Board. Since 2010, she has served as a real estate financial markets expert witness, consultant, public company director and REIT trustee. Aida completed a Bachelor of Architecture degree (Waterloo), MBA (Rotman), Chartered Financial Analyst designation (CFA Institute) and the ICD.D program. Aida is originally from Hamilton and is a first generation Canadian.
