

David Sauve

David was the Chair for HFH GTA from 2014 to 2016 and is now Chair of the Build Finance Committee and a member of the Land & Build Committee. He previously volunteered with HFH York Region from 2009-2014, serving as Chair from 2013-14. David has been a member of the HFH Canada Board of Directors since 2016. Outside of HFH, David is a Vice President at Stantec, a multi-disciplinary architecture/engineering design firm, where he leads the firm's GTA operations. David holds a Bachelor of Science in Civil Engineering (Queen's), Master's in Urban and Regional Planning (Queen's), and MBA (real property development) (Schulich).
