

Kate Subak

Kate joined Habitat GTA in May 2016. She is also a member of the Finance, Audit and Risk Management and Fund Development Committees.

Kate is the Executive Director of the Century Initiative, a foundation dedicated to ensuring an influential and prosperous future for Canada. The Century initiative is working toward a population of over 100 million Canadians in 2100, encompassing strategies in immigration, education, urban development, trade and innovation, and early childhood support.

Previously, Kate has been the Chief Business Officer of the Art Gallery of Ontario, a professional photographer whose work is permanently installed at the Hospital for Sick Children, and a McKinsey & Company consultant. Kate holds her Masters Degrees in Finance, Strategy and Technology from M.I.T. and undergraduate degrees from Smith College (Economics) and OCADU (Photography). She has four children and lives in Toronto.
