

Valerie A. Shuttleworth, MCIP, RPP **Retired Chief Planner, York Region, Ontario**

Ms. Shuttleworth recently retired from her position as Chief Planner for York Region. She was with the Region from June of 2012. As Chief Planner, she led Long Range Planning, Economic Development, Community Planning and Development Services for the Region. Prior to joining the Region she worked at the local level in East Gwillimbury for two years as General Manager of Development Services and in the City of Markham as Director of Planning and Urban Design for twelve years. She also worked for both the North York and Scarborough Planning Departments before moving north to Markham.

Ms. Shuttleworth spent over 35 years in public sector planning, dealing mainly with urban, high density areas. She holds a Bachelor of Urban and Regional Planning degree from Ryerson and remains a full and active member of the Ontario Professional Planners Association.
