

VOLUNTEER POSITION: Driver's Assistant – ReStore

Are you passionate about customer service and enjoy giving back to your community? Interested in keeping in shape without paying for a gym membership? Yes? Then our ReStore Driver's Assistant volunteer role is for you!

The driver's assistant is an important ambassador for Habitat GTA, demonstrating enthusiasm and providing positive, professional and courteous customer service to our corporate and individual donors.

Shifts: Weekdays –volunteer one or more days per week (start time varies on location) approximately 6 to 8 hour shifts.

What you need to know:

- Volunteers are not required to have prior experience, training is provided
- Assist the driver with route and schedule of deliveries and pickups from corporations and individuals
- Physical lifting and carrying of products
- Pick-up and delivery locations will vary across the GTA
- Steel toe safety boots are mandatory. All other safety equipment is provided

Locations:

- Brampton ReStore – 268 Rutherford Road South, Unit 3, Brampton Ontario
- East York Restore – 155 Bermondsey Rd., Toronto Ontario
- Newmarket Restore - 16715 Yonge Street, Unit C Newmarket, Ontario

What you bring:

- Ability to work with a team or independently
- Ability to lift and unload heavy items
- Enthusiasm, energy and dependability
- A G1 driver's license or a valid G driver's license is not required, but is an asset

Position Benefits:

- Gain practical experience in moving furniture and appliances
- Increase your skills in customer service
- Meet new people and network
- Give back to your community
