

**Volunteer Role: Habitat ReStore Volunteer**

Would you like to see a world where everyone has a safe and decent place to live? Do you have a flair for organizing, a passion for great customer service and an interest in reusing and recycling? Is flexibility in your schedule important to you? Yes? Then our Habitat for Humanity Greater Toronto Area ReStore Volunteer opportunity is for you!

In support of our homebuilding activity, we operate retail home improvement stores call Habitat ReStore. Our 11 locations sell new and used donated home furnishings, appliance, and renovation materials to the public at a fraction of the original price. Revenue generated through ReStore sales help cover the cost to build homes for future Habitat homeowners.
